

CREATE CHANGE CHALLENGE

Identify other groups, causes, cultures or problems and pick one that you want to support:

Identify the challenges that exist for this issue/group of people. What barriers do they face?

What is currently being done to address these issues? What else might be missing?

CREATE CHANGE CHALLENGE

What can you do, build or create to solve the problems and issues for your chosen group or community problem?

THINK - WHO?

Who or what are you helping or supporting?

THINK - WHY?

Why have you chosen this? Is it something you have lived through? Know someone?

THINK - HOW?

How will you help them? What is your solution and how will it make a difference?

THINK - WHERE?

Do you need a location to deliver this support from? Is it digital? Is it just fundraising?
